

AFA Associate Members' Scholarship Award 2024 Eligibility Requirements

The Alaska Forest Association (AFA) Associate Members will award scholarships in 2024 to eligible recipients. The goal of the Associate Members is to award one or more scholarships in 2024 to assist students in attaining a post-secondary education. Previous award winners are NOT eligible to apply.

ELIGIBILITY REQUIREMENTS:

1. Any student that has a parent employed by an AFA Associate Member company or is employed by an Associate Member company.
2. The applicant is enrolled or is enrolling full time in an academic institution for the next school year beginning in the fall of 2024.
3. The applicant may be a senior in high school and/or be enrolled or is enrolling in an accredited Vocational-Technical Program.
4. Students who have been out of school for over one year prior to the date of application are not eligible.

APPLICATION PROCEDURE: A portfolio must be received via e-mail to afa@akforest.org, on or before 5 pm AK Standard Time (AKST) on May 4, 2024, and must include all of the following attachments:

- Cover sheet (included below)
- Official school transcript or if a transcript is not available, include grade information of at least seven semesters and your rank in your class. (Must be signed by a school official)
- A recommendation from a teacher
- A recommendation from a person in your community (not a relative)
- Autobiography - Use this section to describe yourself, your plans, and your goals.
- Short Essay - Use this essay to demonstrate your knowledge of the forest products industry to the selection committee.
 - The following questions should be answered through your essay:
 - How has the forest products industry influenced your life?
 - What does the forest products industry mean to you?
 - What effect, if any, have national issues, politics and economics had on Alaska's forest products industry?
 - How will Alaska's forest products industry influence your future?
 - How will your future education and career plans positively impact Alaska's forest products industry?
